

Keynote Speaker

Debbie Clement, Rainbows Within Reach

Debbie Clement is the perfect blend of motivational speaker, educator's educator, and creative wonder-kid. Teachers, librarians, and parents alike appreciate her upbeat mixture of brain research and poignant real life stories from the front lines. Audiences are frequently moving between spontaneous laughter and genuine tears. It's unusual to find so many skills in one person. Song writer and singer, picture book author and illustrator, dynamo speaker, and presenter are all mixed together in one bright, smiling polka-dot package.

Debbie has been a featured keynote speaker at state AEYC conferences, state kindergarten conferences, and National Head Start Association symposiums. She continues trying to change the world one song at a time.
