

EXCITING NEW TRAININGS

Child Care Connection is offering trainings for Nurtured Heart Approach

These workshops will teach you strategies that assist children in developing their self-regulation, greatly reducing challenging behaviors!

Multiple options are being offered, including an overview for 3 hours and an expanded 6 hour class.

The Nurtured Heart Approach is more than just a parenting or educator behavior management strategy. It is a philosophy for creating healthy relationships with the people in your life. The Nurtured Heart Approach consists of a set of strategies that assists children in further developing their self-regulation and has been found effective with children of all ages.
