

STRENGTHENING BUSINESS PRACTICE: BUDGET PLANNING AND FINANCIAL REPORTS

Join us for this two-part series that addresses basic concepts in fiscal and operational management of center-based child care programs. The purpose of the sessions is to strengthen child care providers' foundational knowledge of fiscal terms, concepts, and practices. Participants will be encouraged to recognize the importance of fiscal planning and how it supports the sustainability of business operations. Join us in gaining tips and best practices that help break fiscal processes down into manageable steps.

****Participation in both sessions is required to receive professional development hours****
